

THE ONE AND ONLY
Gazillion
Bubbles

Bubble Machine

INSTRUCTIONS !

1. Take off original cap of 8 oz solution. *screw on the included 'easy pour' cap.*

2. Insert 8 oz solution, plug it into side reservoir. *Solution flows into main reservoir and stops at max level automatically.*

3. Switch Bubble Machine to the "ON" position.

4. Watch as a gazillion amount of bubbles continuously blow from the Bubble Machine!

CAUTION !!

IF POURING DIRECTLY INTO THE FRONT OF THE MACHINE, DO NOT OVERFILL.
THIS MAY CAUSE THE SOLUTION TO SPILL.

REMEMBER TO CLEAN AFTER USE:

1. Pull out the reservoir to open up bubble machine.

2. Remove bubble tray and clean with warm water.
